

GLE & Annual Conference Newsletter, 22 May 2008

Have you registered all of your students and other participants for the GLE? Spaces are still available in the GLE and Annual Conference, including dormitory lodging. Registration closes on 2 June 2008, 23:00 MDT (3 June, 05:59 UT). **WE WILL NOT BE ABLE TO ACCEPT NEW REGISTRATIONS AFTER THIS TIME.** Substitutions/name changes may be possible, please contact Loretta Quinn <lquinn@ucar.edu>. Please do not be left out! Sign up before the deadline!

Country exhibits

Each country attending the GLE is invited to create a small exhibit. The space will accommodate posters, artwork, or items that can be pinned to a board 178 cm high x 112 cm wide. Space is limited, so please send a note to Katy Lackey lackey@globe.gov by 2 June if you plan to participate in the exhibits.

Teachers and other adults – We need group leaders!

In preparation for the GLE field days, students will be assigned to small groups. Each group will include students from several country delegations. These groups will meet each other at the Student Icebreaker on the Opening Day (Sunday, 22 June), and will travel together on the GLE field days (Wednesday & Thursday, 25-26 June). There will be at least two adults assigned to each group of 8 students.

* We expect that teachers will participate as leaders for these groups.

* We encourage other adults to volunteer as group leaders!

Please send in the Group Leader form

http://www.globe.gov/fsl/html/templ.cgi?gle08_policies&lang=en&nav=1 as soon as possible, or send an e-mail to Katy Lackey lackey@globe.gov with questions.

IMPORTANT for dormitory residents
